Bill Gibbons and I met with Spence last night to update him on Crime Commission activities etc. We all know that crime is one of the top concerns of the business community. We have a new plan, a new structure and new governmental leadership fully engaged on crime reduction strategies, but in a very challenging environment. Spence suggested that we brief you guys on this and brainstorm ways for the Crime Committee of the Chamber's Circle to partner with us to help better educate and engage the business community. Would you folks be willing to meet with us to discuss further? Thanks much
